

Scholarship Application Form

SCHOLARSHIPS

The student program has academic scholarships. The population that will qualify for this scholarship are those students who are full-time and enrolled in a full year (T1 & T2). The applicants can be students in a technical or university program. The Post-Secondary Committee will review marks and decide on that basis. All students who submit their final marks by June 30 of each year are eligible for scholarships as follows:

The Scholarships will be distributed as follows:
